MESTRE

LUXURY SINCE 1952

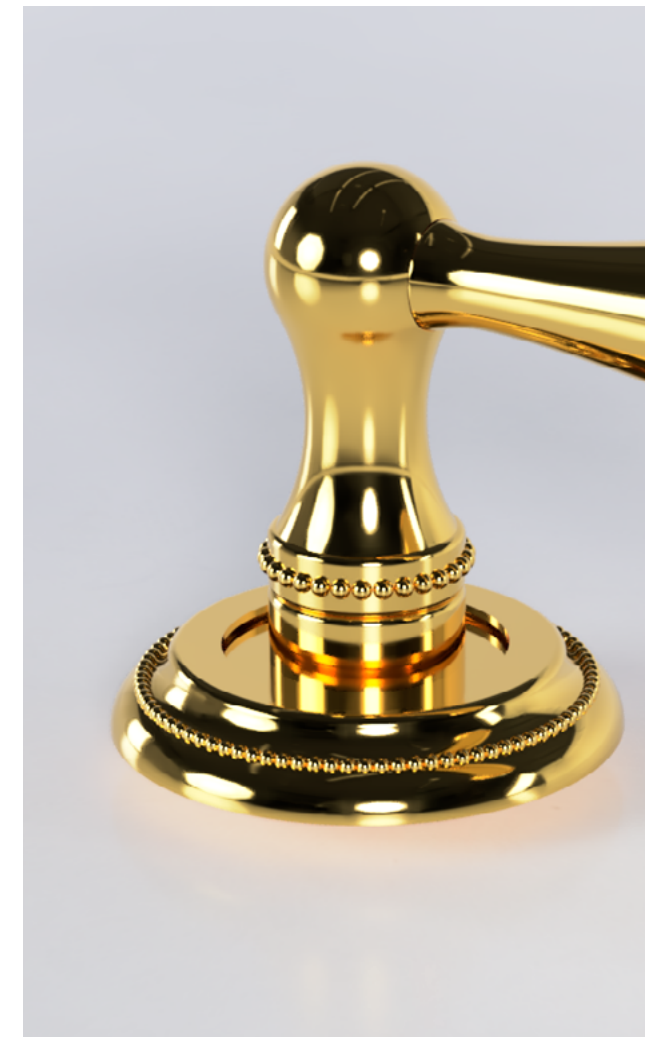

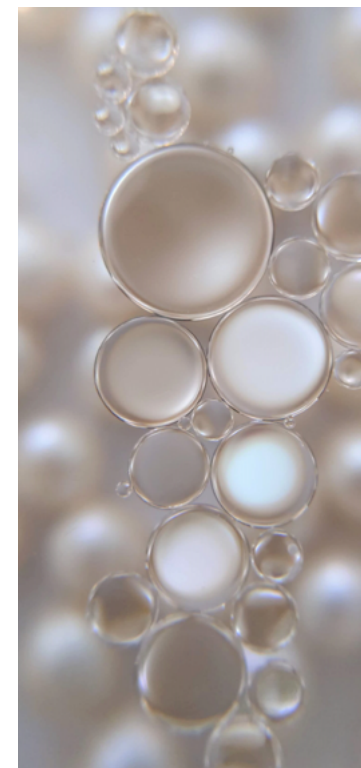

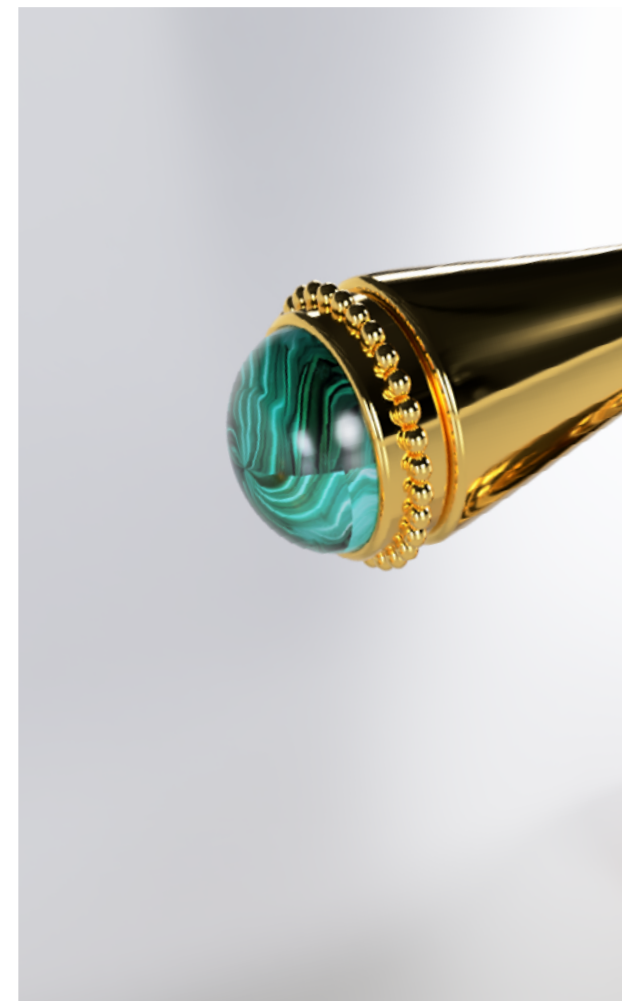

GLAM PRECIOUS

Glam is the current redefinition of luxury and elegance, its design an **eclectic fusion of classic and modern** styles, with which it is possible to achieve sumptuous and sophisticated environments.

GENUINE AND WITH PERSONALITY

When luxury becomes art, and that art is transformed into architecture, fashion and interior design, that is GLAM, the new collection of design oriented bathroom fittings by MESTRE, with fascinating sculpted pearls and details in gemstones like a jewel.
